Skills

- **Languages**: C, C++, Java, Python, JavaScript, PHP
- **Web Technologies**: HTML, CSS, Tailwind CSS, React.js, Node.js, Express.js
- **Database**: MySQL, MongoDB, PostgreSQL
- **Tools/Platforms:** Git, GitHub, Postman, XAMPP, Figma
- **Soft Skills**: Problem-Solving, Leadership, Adaptability, Teamwork, Analytical Thinking

Projects

Pediatric Dermatology| GitHub Dec 2025

- Developed a full-stack web platform that enables parents to upload images of their child's skin condition and receive remote dermatological assessment through a secure, responsive interface.
- Implemented a scalable backend with case management workflows.
- Designed a medical consultation flow allowing doctors to review submitted cases, add diagnostic notes, and update the case status.
- **Tech:** React.js, Tailwind CSS, Express.js, Node.js, MongoDB

Horticulture Connect | GitHub Mar 2025

- Built a full-stack platform that connects farmers, wholesalers, and consumers, enabling direct trade with secure authentication and efficient data management using PHP and SQL.
- Executed real-time crop prices, storage capacity tracking, and farmer profile modules to support informed decision-making and transparency.
- Integrated interactive dashboards and graphs to visualize market trends and price fluctuations.
- **Tech:** HTML, Tailwind CSS, JavaScript, MySQL, PHP

Browser-Based Mini Games | GitHub Nov 2024

- Engineered a suite of browser-based mini-games with modular code components and visually engaging interfaces.
- Optimized game logic and interactive elements in JavaScript, ensuring smooth gameplay and an intuitive player experience.
- Architected a scalable and maintainable codebase that enables seamless integration of new games and feature enhancements.
- **Tech:** HTML, CSS, JavaScript

Training

Placement Ace: Java Bootcamp | LPU Jun 2025- Jul 2025

- Applied OOP principles and event-driven programming to develop a GUI application while implementing optimized DSA-based solutions to enhance problem-solving efficiency.
- Developed ShoppingCartApp using HashMap and Stack for cart management and undo functionality with OOP principles.

Certificates

- Cloud Computing | NPTEL IITKGP Apr 2025
- Data Structures and Algorithm | LPU Dec 2024
- Computer Communications Coursera Nov 2024

Extracurricular & Leadership

- Actively leading executive management for Echelon Technical Club initiatives and operations. Jan 2026
- Solved 320+ problems on LeetCode and earned 7 badges on HackerRank. | Profile Dec 2025
- Social Work Intern at SEESHA, leading social awareness initiatives, child education programs, and community development activities. | certificate Jun 2024

Education

- **Lovely Professional University** Phagwara, Punjab
  Bachelor of Technology – CSE | **CGPA: 7.7** Aug 2023 - Jul 2027
- **St. Xavier's College** Ranchi, Jharkhand
  Intermediate | **Percentage: 75**% Apr 2022 - Mar 2023
- **R.K. Public School** Garhwa - Jharkhand
  Matriculation | **Percentage: 84**% Apr 2020 - Mar 2021
